Language Arts

Teachers in the English Department are talented, hardworking professionals dedicated to helping students realize their potential and reach their goals. Collaborative planning by teachers leads to a well-articulated program which focuses on developing strong reading and writing skills. The writing program culminates in the required senior English thesis. The comprehensive literature program includes classic and contemporary works through which the students study various genres, specific literary movements, and individual authors. Students participate in the National Council of Teachers of English Annual Writing Competition, the English Union Annual Shakespeare Competition, and the New England Young Writers' Conference. With the support of parents and local organizations, teachers enrich classroom learning with field trips and in-school performances. Students' work occurs in a positive, supportive, environment under the direction of a wonderful group of teachers.

Mathematics

We welcome Diane Lints to our high school math department. Ms. Lints will be teaching the Mathematics Skills class and Pre-Calculus. She enters teaching after a successful career in civil engineering. Ms. Lints did her undergraduate work at M.I.T. and has a master's degree from the University of California Davis. She joins a veteran teaching staff who is looking forward to another exciting year of tables, trig, transformations, trapezoids, the triangle inequality, and tricky theorems.

After a long, successful run as math team coach, Mr. El Sheikh steps aside as Ben Delorio and Suzanne Hargadon guide the 2002 team. We have over 30 members, including 10 freshmen. The Belmont Math Team competes with other high schools at the regional, state, and New England levels.

Social Studies

The Social Studies mantra over the past four years has been Social Studies is a participatory subject.

The class of 2003 has eagerly embraced this mantra and has fully immersed themselves into an array of activities.

History Day, Close-up, Project 540, The Presidential Service Challenge, The Walk for Hunger, Rotary Youth Leadership Conference, Voice of Democracy, Lions Club Oratorical Contest, Bristol Lodge, the Belmont Food Pantry, Community Servings, and the Belmontian Run for Charity, are only a few of the opportunities that have enabled you to use and supplement specific social studies skills learned over the past four years. Your class has accumulated more hours of quality service than any previous graduating class.

Our hope is that you continue your altruistic ways in your future endeavors.

The Social Studies department wishes to thank-you for your exemplary performance in the classroom, and in particular, the effort you placed in completing the Junior thesis. We would like to thank-you for your openness to new and fresh ideas and to your tolerance for ideas that you personally may have disagreed with. We would like to thank-you for creating a classroom environment that was open to multiple points of view and devoid of intolerance and hostility.

Finally, the Social Studies Department would like to thank-you for making our jobs stimulating and rewarding.

On behalf of the Social Studies Department I wish you success and good health.

Science

The Science Department of Belmont High School offers a wide variety of courses. Students may choose to study Biology, Chemistry, or Physics at the college preparatory, honors, or Advanced Placement level. The Science Department offers courses in Anatomy and Physiology, Astronomy, Disease and Medicine, Environmental Science, and Special Topics in Advanced Placement Biology or Physics. There is a science club that welcomes all interested students who wish to further their knowledge through special activities. The Belmont Association of Science Students (BASS) sponsors guest speakers, science competitions, and special projects.

World Language

Students come to the Foreign Language Department to study Chinese, French, German, Latin, and Spanish. The teachers are Mr. Brodigan (Latin), Ms. Carroll (Spanish), Ms. Centeno (French and Spanish), Mr. Dunn (Latin), Ms. El-Gamel (French and German), Ms. Firenze (Spanish), Ms. Garschina-Bobrow (Spanish), Ms. Jean (French), Mr. Lee (Chinese), and Ms. Talamas (Spanish). Students also have the opportunity to participate in extracurricular activities related to foreign languages: Ms. El-Gamel advises the German Club, Mr. Lee advises the Chinese ping pong club, and Ms. Carroll advises the Spanish Club. This year we have had an exchange with a school in León, Spain, led by Ms. Talamas, and a trip to Italy for Latin students, led by Mr. Dunn.

Fine Arts

This year was an incredibly exciting year for the students in the fine and performing arts, beginning with the Belmont High School Performing Arts Company production of the Broadway musical play, *Gypsy*, followed by many exceptional concerts, plays, and art exhibits held throughout the year. Our Symphonic Orchestra toured Austria, the Czech Republic, and Italy performing concerts in Prague, Salzburg, Hallstatt, and Bolzano. Advanced Placement Art students traveled to Paris to tour some of the world's most renowned art museums. Students in the choral program performed in Florida and the Caribbean. The faculty of the Department of Fine and Performing Arts extends its congratulations and best wishes to the graduating class of 2003.

It's something unpredictable, but in the end it's right

I hope you've had the time of your life. - Greenday

SENIOR CLASS OFFICERS

of
2003

Treasurer Barney Keller, Vice-President Annie Lydgate, President Sarah Halberstadt, Secretary Laura Robotham, Assistant Treasurer Tamer Azar

"Don't want to leave, but we both know sometimes it's better to go. Somehow I know we'll meet again. Not sure quite where and I don't know just when. You're in my heart, so until then...wanna smile, wanna cry, saying good-bye."

-Muppets Take Manhattan

Senior Officers

High school has a way of changing our sense of time. Some moments feel like an eternity while others fly by. And if I've learned one thing from my four years in this school, it is that time seems to stretch out forever when you want it to pass quickly and speed up when you don't want the moment to end. Somehow as we each lived out our own lives on our vastly different schedules, our paths continuously crossed. And in these moments, we shared our time together. As we shared this time in the classroom, field, stage, cafeteria, and library, we became friends. And it was through these unselfish friendships that we learned to conquer time.

It seems as if the days, months, and years, flew by and before we knew it, we were speeding towards the end, the last buzzer, the time when the clock will run out. And it is then that we will cherish these moments we have had together and remember with pride the hours spent pouring over books and papers, rehearsing lines, and scoring points. Your unique contribution to the school and to the Class of 2003 did not go unnoticed.

To all of the teachers and faculty members, I would like to say thank you for giving us the gift of your time, your energy, your patience, and your passion. You have defined our time here, and in doing so have helped to define us.

We all shared at least 59,400 minutes together inside these walls. And I want to thank you for each and every one of them. Someday all of these minutes will add up to a lifetime of which these high school years will be a mere fraction. When the clock stops ticking we will look back and all of these times will blur into one great shared moment of our lives. It's been crazy, but it's been a great time and I'll miss it. And I'll certainly miss you.

Sincerely, Sarah Halberstadt

The class of 2003 has approached this year with a firm sense of purpose and a strong commitment that has made it a memorable one for all. I have enjoyed working closely with you through your years at Belmont High School. Your enthusiasm, spirit, and dedication are captivating and the opportunity to work with you, especially as your senior class advisor has been a great privilege.

Graduation is a wonderful, but bittersweet time. As you leave behind the comfort and the structure of Belmont High School and enter the unknown world of the future, remember all that you have learned in the past four years: it will allow you to be a success at whatever you choose to pursue. Always approach your responsibilities with exuberance and passion. Be always mindful that the humanity, ethics, and morality you extend to those you encounter will surely make the place you are going, a better place to exist.

As a Belmont High School graduate, I often look back and see myself as you are now. As my time at Belmont High School prepared me to fulfill my dreams, I hope it has done the same for each of you. When you look back at your years at Belmont High, I know you will be cherish each day that you shared. These days will always remain some of the happiest and most carefree days of your life. Treasure these memories. Congratulations on your accomplishment. My very best wishes to each and every member of the class of 2003.

John Sullivan

This year we were able to meet our fundraising goals through a variety of means. Our homecoming dance proved to be very successful, and it was the first in BHS history. The citrus fundraiser was also very successful as were our baksales. We would like to thank our class advisor Ms. Mayer for her help and incredibly enthusiastic attitude towards fundraising. We would like to thank the class of 2004 for giving us the opportunity to represent you this year, and we hope to do so in the future.

Freshmen

We had a great time being your freshman class representatives. Thank you for the support of the BHS apparel and your participation in the magazine drive. Special thanks to Ms. Carroll, Foster Wright, and you, the freshman class for making this year possible. We hope you all had a great freshman year and we wish you good luck for the next three years at Belmont High! Thank you for letting us represent you.

Congratulations on an awesome season! We all worked hard even when it seemed like we were the girls cross country team...Best of luck for next year, we know you guys will be successful! Do you remember when...Mary "scored" on a guy? I worry Stoneham, Lindsay's coming back, Jessie = turtle, Sharis where's Jessie?, Courtney complained, Caroline ran, Lynn ran by football, Ashley H. smiled, Alyssa fed us, Ch... joked, Beth hugged, Anne Marie ate a plum, Katie N. scored, Tianna cheered, Lily went to camp, Laura recovered, Ashley got beat up, Katie was conflicted, Maggie saved our butts, Leanne laughed, Anna cried, and we all had team huddles. Thanks for all the memories girls, we'll never forget you! Watertown! "The challenge before us is never as great as the power within us." Work it girls!! - And lastly to Meg, believe we thought we forgot you - but trust us we never could :-)

Well girlies, not only did we christen the new field, we showed the world how to put the munchkin in the mesh. Even though D-D-D-Danvers got in our way we know who the REAL state champs are. We would like to thank Mr. Miller, Mr. Graham, all the parents, and of course our fans! From team dinners to senior night was a blast, even when we froze our butts off. We wish the team good luck in the seasons to come although the new field will never be the same without the Senior Citizens. Always remember that there ain't no mountain high enough and that you only get one shot, do not miss your chance to blow because this opportunity comes once in a lifetime! Much love! You would give me a kiss if I were on soccer team...know what I mean?

The boy's varsity soccer team fought back from a 0-4 start to make the MIAA tournament for the second year in a row. The team overcame a rough beginning, plagued by injuries and illness, and saddened by the untimely passing of athletic director Clyde Meyerhoeffer. After the initial 0-4 start, the team went 9-4-1 to finish the regular season at 9-8-1. The team played Triton in the first round of the tournament and lost a close game on Triton's home field, 3-2. Season highlights included winning both games against Woburn, beating Division II North runner-up Melrose twice, and defeating powerful Winchester to knock them out of the contention for the Middlesex league title. The team was led by the outstanding players seniors Roy Dow, Takuya Kojo, and Marco D'Andrea, who were voted to the Middlesex League All-Stars 1st Team. In addition, leading scorer Takuya Kojo was voted to the Easter Massachusetts All-Star Team. Juniors Justin Ito-Adler and Joel Connor received All-League Honorable Mention honors for their efforts, and Juniors Matt Lentini, Andrew Cournoyer, and goalkeeper Nikos Karamoutsos made major contributions during the season. The team would like to thank parents, teachers, and fellow students for all of the support during the 2002 season, especially during the cold night games we played on our new home turf, Harris Field.

The captains would like to thank the coaches, and congratulate Coach Mullin and Arrangio on their fine careers. We would also like to thank our families for all their support, the players for making this such an awesome season for the seniors, the fans for always coming to our games and bringing such enthusiasm, and especially the cheerleaders. They put forth hours and hours of hard work to make our year fun and we thank them greatly for that. This team was a very close bunch of guys who all contributed to our success. Our team went 7-4, proving to people we were one of the best teams in the league. We wish we could have won that Reading game and are happy we shut-out Wakefield. We ended a great note winning 6 of our last 7 games. Especially on Thanksgiving where we beat Watertown at home 27-6. Thanks to all and good luck to all future teams.

Scooks! It was the year of the Juniors! Skillz, J-Nutz, Crotty, Chief Doofy, Captain !@?*head, Player !@?*face Peck, A.I., Chappy, Teve Torbes, Phil, Josh, Shaq, and Yao. Thanks to Joe Harvey and the Dynamic Duo, Dayn and Swillis, for taping the games and forgetting to bring back the footage. This year was all about JP, Pete, and Marcuss runnin' Box 3, no room in Scotty's Explorer, watching out for snowbanks, gettin' cracked up at team dinner, JP's no look "lob pass" for Pete's game winner, Marcus' famous inbounds play, and the CKY team song and dance. Go Tulane! Join the Uka Agbai fan club. Watertown and Lexington love the dirt and they'll eat it next year. ANNA'S is ours, BACK OFF! Much thanks to the parents, fans girls team, and the ever present cheerleaders.

This year we actually had snow, which was impressive. Our boys were very strong placing 4 out of 11 repeatedly. The Jones siblings had a particularly strong season and went on to the state championships. The 5:30 am treks to the High School parking lot were interesting at the least. While the conversations wandered off the beaten path, the best intentions were always in mind. Nothing wakes you up in the morning than sodium bromide (correction: potassium chloride) and plastic-filled whoopie pies and of course, you can always go to bed. A few things to remember: a list of things not to do at home, be a good whale, and knight in shining long underwear. Thanks for a great year and good luck next year!

Love your captains,
Allycia and Maggie

This indoor season was one of the best yet. Many improving times and victories over Winchester, Wakfield, Melrose, and Watertown led to state qualifications and setting new standards for Belmont Track. Our sprint medley relay team also qualified for the nationals and broke the school record. Victor Gras set new school records in the mile (4:13.7) and two mile (9:28.9) along with Takuya Kojo in the 300m (37.2) and 55m (6.5). Everyone on the team helped make possible a final record of 4-5.

First of all, let us just say what a great season! We're so proud of you for working so hard to get us the best record of our high school careers - Thanks! We had fun in AND out of track (note: refer to documentary). We put a lot of effort into our running (and trying to get with the track boys: A-V, K-T, L-X, B-J)! And no Dunn, we don't need permission slips to see boys in spandex (yea boys in spandexing and wrestling!). We are talented in so many ways - including the oh - so - good musical stylings of our future improv artists. You know we rock!! (but if there ARE any doubts, just ask our one and only fan club). We love you guys! Peace out - Love your captains, Katie, Kristina, Laura, and Hannah

Last season was a rough one for B.H.S. baseball. Our record was poor, but from that season we produced a great senior baseball players. The seniors on this team are talented, but at the same time willing to help out the young players. This is key to having a successful team. As the winter rolls on you will see us working in the gym as a team trying to get better. With the knowledge of the returning players, and the talent of the young players, B.H.S. baseball will once again be an exciting team to watch and a competitive team to play for. Good luck to all the other teams this year.

This spring was full of challenges and successes. Our first year as a Varsity was a daunting image at the start of the season, especially for the girls new to the sport. But we pulled it off amazingly! Every girl out there put in her best and it showed. The team was strong and although we lost a few games we played well. Next season we will shine

The German Club is a dynamic group with high hopes to expand the German program at BHS. We watch German films, eat German foods, study German art, and especially speak German! This year our presentation of the German horror film "Sferatu" was a big hit, as well as our annual trip to Jakob Wirth's, a popular restaurant in Boston specializing in German cuisine. Our "Grillfest" was held the year, and we had a blast playing volleyball against the Armenian Club. We're a small club, yet dedicated and always able to connect with our German roots.

Gay-Straight Alliance

Belmont High School GSA is an alliance of students, both gay and straight, who are concerned with understanding and respecting people's sexuality. We organize dances and field trips, sponsor workshops, and participate in other activities in hopes of raising awareness within the Belmont community and the community of our school. We are committed to supporting our fellow students and making BHS a safe environment for everyone.

The International Film Club is a new club in BHS. Once or twice a month we show international films from the entire world, like Europe and Asia. We bring popcorn and drinks to every screening of a film and our mission is to watch the films for free. We will definitely have more plans and fun activities to do like fundraising and helping for BGSAC film series.

Symphonic Band

The Symphonic Band is a group of over 100 students who take pride in their work, and are full of talent. The Band is lead by Mr. Mellie, who is having his first year here at BHS. The students have enjoyed his new teaching methods and enthusiasm. Belmont High School Welcomes Mr. Mellie and congratulates the band on their excellent performances.

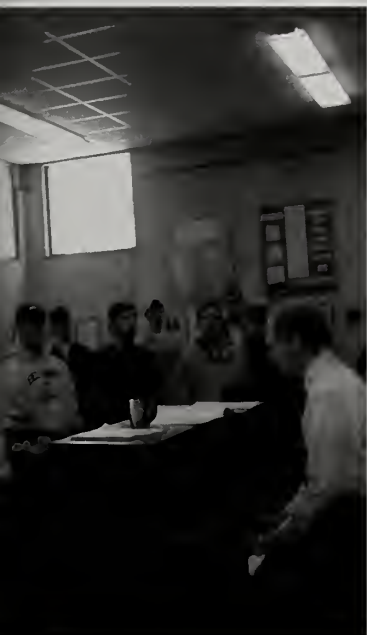

Concert Choir

The Concert Choir consists of over 120 members directed by Ms. Morgan. Although this group is very large, Ms. Morgan uses her excellent techniques to make all of the members sound as one. The students enjoyed a trip to Florida and the Bahamas to compete in April of 2003.

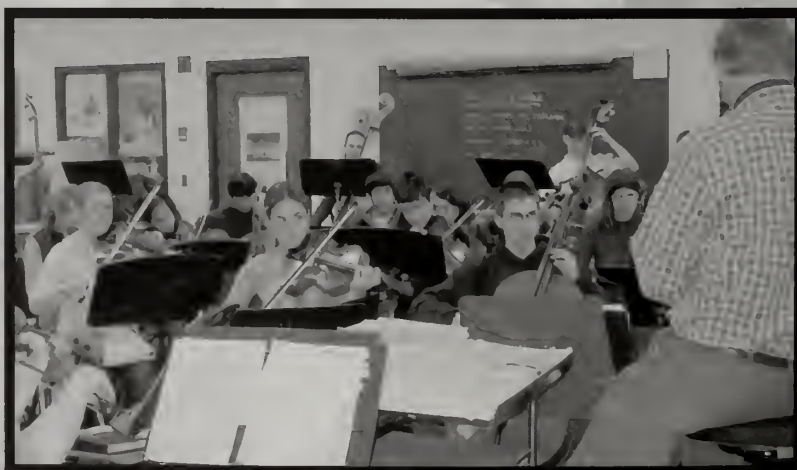

Honors Choir

Honors Choir is a smaller group from the Concert Choir. The select auditioned group performs with the Concert Choir songs of their own. They thank Ms. Morgan for her attention and patience with them.

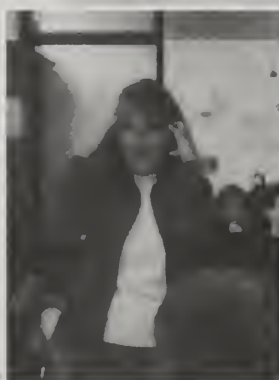

String Orchestra

Orchestra is a wonderful music group composed of more than seventy-five string instrumentalists. Under the direction of Mr. Hanson, they have become very talented and continue their successes. In April of 2003, the Orchestra will be touring Europe, visiting Italy, Austria, and the Czech Republic.

"May this be the day when it all comes together: happiness in your heart, serenity in your soul, success in all the things you do, time enough to reach your dreams, patience to see you through, inner beauty, an open mind, days that find you feeling wonderful, confidence - strong and lasting, strength to do what needs to be done, believing in tomorrow, living in today, knowing the right way is the only way, clearing out the confusing, facing the facts, not being afraid, never giving up, finding hope in hard-to-find places, putting smiles on other people's faces, knowing when to talk, and knowing when to listen, standing by the truth, being firm in your commitments, using your insight to set you right, going from rock bottom to mountain top, learning from mistakes, understanding the greatness within, looking for the good that is always there, sharing the things that need to be shared, remembering that it can all be a puzzle - but solving problems is one of the sweet joys in life, you can always pick up the pieces, and you can always make things right."
